Index Data Source: www.bseindia.com / Strategy performance mentioned above is the aggregate performance of all Clients in the Strategy using the Time Weighted Rate of Return (TWRR) methodology and the performance of an individual client may vary significantly from the above. Returns for one year or less are on absolute basis, while returns more than one year are on annualized basis. All the returns calculated above are after deduction of the applicable expenses. Please note that performance of your portfolio may vary from that of other clients and that generated by the Investment Approach across all clients because of 1) the timing of inflows and outflows of funds; and 2) differences in the portfolio composition because of restrictions and other constraints. Past performance may or may not be sustained in future and is no guarantee of future results, clients may note that the entity level performance of the Portfolio Manager is disclosed in the Disclosure Document and the same is available on the website of Portfolio Manager – www.ckredencewealth.com Valuations are of the aggregate portfolio under each strategy. Above details represent dated facts of the underlying portfolio companies depending on the varied prevailing market and economic conditions. The portfolio data and the statistical analysis mentioned above is of the oldest client of the Strategy. The portfolio of individual clients may vary significantly. The sectors)/stock(s) mentioned here do not constitute any recommendation and the strategy may or may not have any future positions in these stock(s)/Sectors). **Top 10 holdings (by weight) or all the stocks in the portfolio, whichever is less by number are disclosed. Client has an option to invest with us directly without availing the services of Distributors.
